DENNIS P. PALMER

Dear Dennis,

May you always have what you desire. Stay on smart on you and you will always have friends. We had lots of fun in civics.

Love always,
Marie Dean Lemmons

Dear Dennis,

I have known you a long time and we have really had some good times together. I think you are a swell boy and I think the world of you. I can remember you in the elementary, junior high and now in the last few days of this our last year of school; I can truthfully say I have enjoyed these many (and I hope many more) years. I always remain) the sweet, kind, deserving boy I've had you will go far in this world. And I know you will be the greatest doctor ever. I remember when we had many laughs together and I'll never forget it. We've had our differences over five years ago when we first met but never forget the first date we had and Donald Flemming how we ever became friends for the first time and I think I'll never forget it. We doubled with Phyllis and Donald Flemming how we ever became friends for the a good time and I know you will always be yours. I Hope we can go on being friends for the many years to come. May success and happiness many more years in this you will be the greatest doctor ever state.

Well I'm running out of something to say so I'll stop But never forget me. ok?

Love always,

Carolyn Brune

BUFFS

The Milby Coed Cadette officers twirl fire batons.

Spirit Sparks the Intangibles of 'Big Blue'

Spirit is everywhere — it is something that every student has at Milby. Spirit at Milby is so great because Milby students *are* spirit. Everyone enters into every phase of campus life with enthusiasm, vigor, and happy confidence.

Spirit is seen and felt in so many places . . . the faces of the campus favorites, the seniors at graduation, the editors of publications, struggling drama students, the studious scientists of tomorrow, the cheerleaders, the co-eds, the athletic teams, and jubilant couples dancing after a football game. In the classroom, at the pep rallies, and in the stands, as well as on the playing field, the Buff's spirit is evident.

Petty differences and prejudices are forgotten and each student works together toward a common goal, sharing the responsibility of holding high the spirit left by the last Buffalo family.

Spirit reflects the true aspects of campus life and student personality — the freedom and energy of the students to make a colorful life at Milby.

Reserve Officers' Training Corps trains students for future military life.

Make-up is carefully applied for the first play of the year, "Gaslight."

Budding scientists perform detailed experiments.

Dancing is a vital part of school life.

Faculty takes a break in the home economics living room.

Publications editors confer with the printer.

The orchestra develops creative talent within the student.

COED CADETTES BRING HONOR

AN ORGANIZATION which has grown from 30 members in 1926 to more than 200 can truly be called a TRADITION. Such a group, which has an origin that goes back almost as far as the school's itself, we cherish for irreplaceable memories and an undefined pride. Since the longevity itself of the organization should indicate its invaluable activities, it is deserving of our praise and respect.

Of course we honor this group for its past, only after first applauding its SERVICES of school, charity, and civic. The members of this organization usher at the Ice Capades and at The Houston Fat Stock Show every year. They attend events of public interests such as ground breakings, parades, and the Mardi Gras. They help the less fortunate by selling poppies on Armistice Day and ushering at the Crippled Children's Ball. Through performance and the Carat Show, they provide entertainment for students. Also, they sell school directories, ribbons, pompoms, candy, magazines and Christmas cards for the convenience and pleasure of both teachers and students.

This year the Cadettes presented the school with the six flags of Texas.

In the performance of so many services, the members become REPRESENTATIVES of

the school—of its attitude and ideals. They are seen by the public as a paragon, creative and purposeful. Though they may express themselves with modern drills and equipment, the basic motives have remained unchanged since the beginning, to advance good citizenship and school patriotism. Thus, it is that they symbolize the goals which the student body, as a whole, strives to attain.

The most important function of this organization's services, which is certainly a tradition and of which the members are truly representatives, is the promoting of school SPIRIT. Through parades, musical selections, and cheers, they show to all the pride we have in our athletic department. They let others know of our athlete's fight-to-the-finish attitude. By their organized efforts, they tell the players that the whole school shares this determination with them and backs them up, thus boosting morale. Without this group, our games would have a minimum of pep, show, and liveliness.

With these concepts in mind, the staff of the 1958 BUFFALO, believing that the culmination of a dedication should include TRADITION, SERVICES, REPRESENTATIVES, and SPIRIT, therefore dedicate this yearbook to the MILBY COED CADETTES.

Campus 10

From September to May, Milby's campus buzzes with the activity of 1750 students as they walk around the campus before school, chat between classes, and plan coming activities.

Administration 14

Milby's policies are set by the Principal, Assistant Principal, and the Dean. Faculty members are concerned with conveying practical knowledge to young minds.

Classes 28

Individually pictured in this section is the student body of Milby: seniors, juniors, and sophomores.

Organizations 82

Featured in this section are the clubs of Milby. These clubs represent service, religious, scholarship, athletics, and student government.

Favorites 144

Remember elections? Wonder who won? Within these pages are the results—Most Popular, Most Beautiful, Most Representative, and others. Here you will find pictures of the winners at their best.

Activities 174

Here we see pictures of Milby's social whirl that recall fond memories of the past year. Remember the AY Carnival, the Football, and the Winter Whirl?

Sports 186

Here are records of the victories and defeats of "Big Blue's" athletic ventures, from the gridiron to the baseball diamond.

PT-A Promotes School, Community Projects

To promote welfare and bring about better relations of parents, teachers, and students is the goal of Milby's PT-A.

Interesting programs this year have included a panel discussion by doctors from the American Cancer Society, a speech by the U. of H. director of counseling on "College Entrance Tests," and Mr. Henry C. Smith, physics demonstration. The East End YMCA director and the Jr. Achievement sent representatives to speak.

Twice a year PT-A holds open house. They provide scholarships yearly to deserving Milby seniors who plan to major in the field of education.

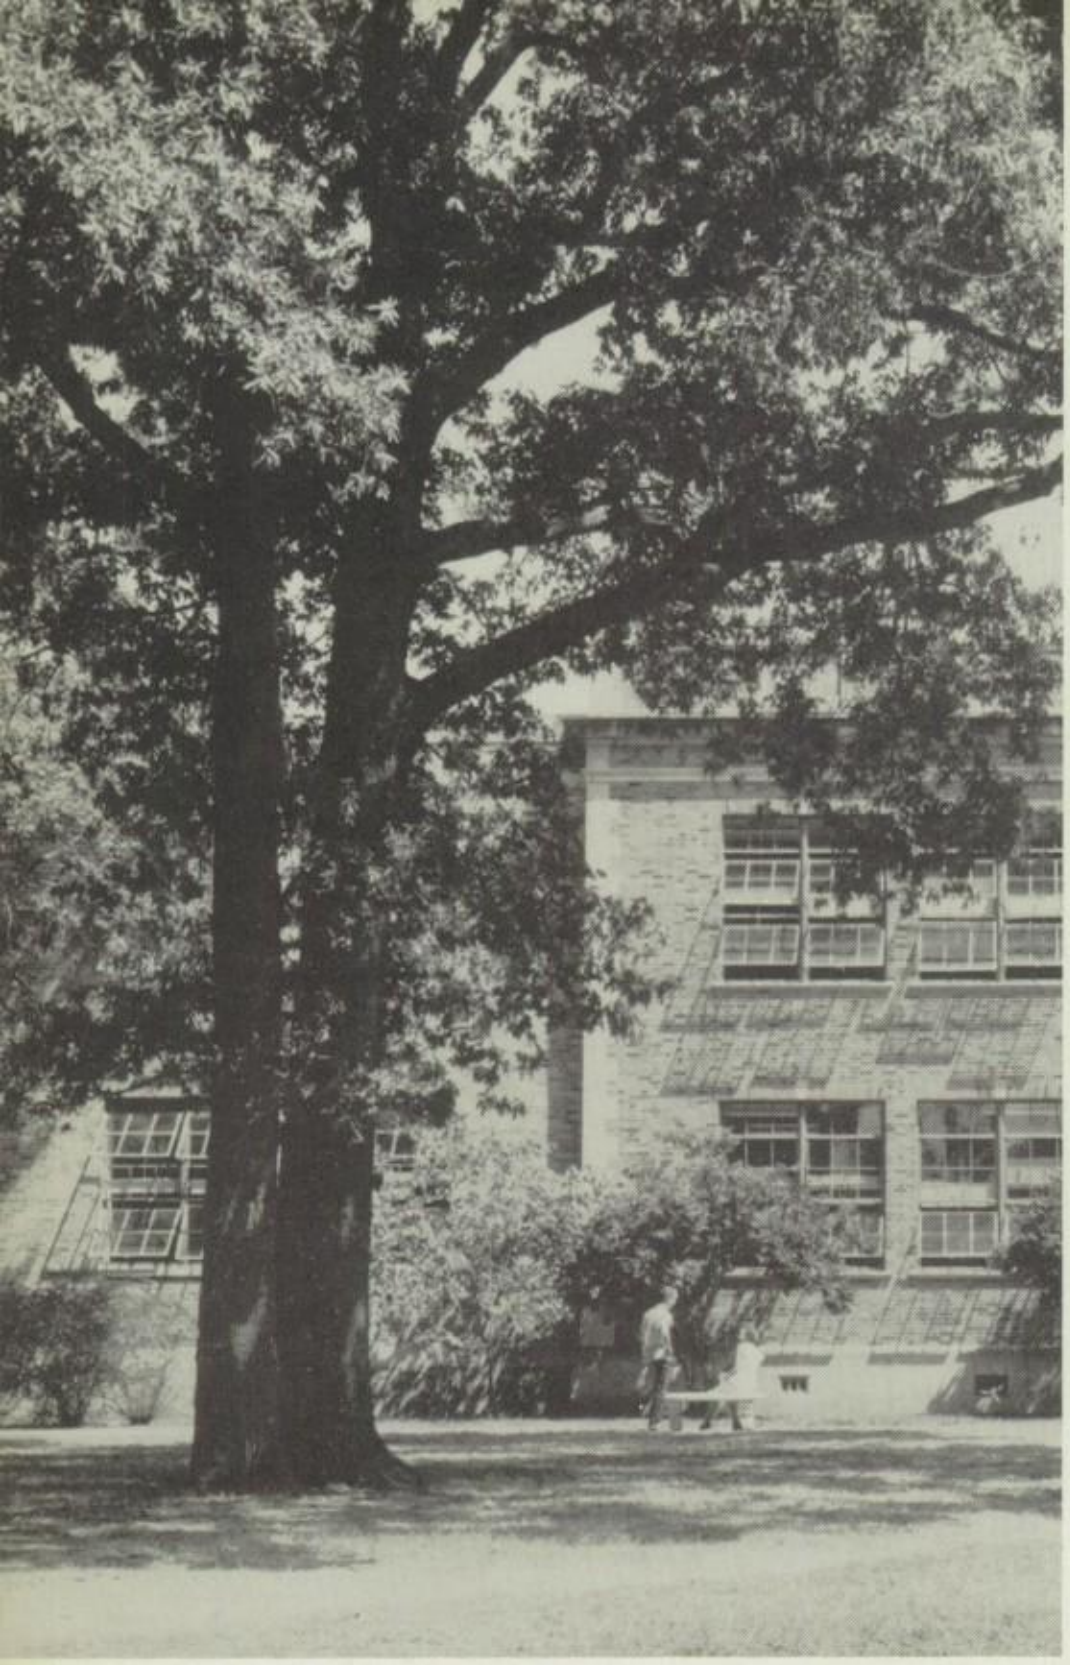
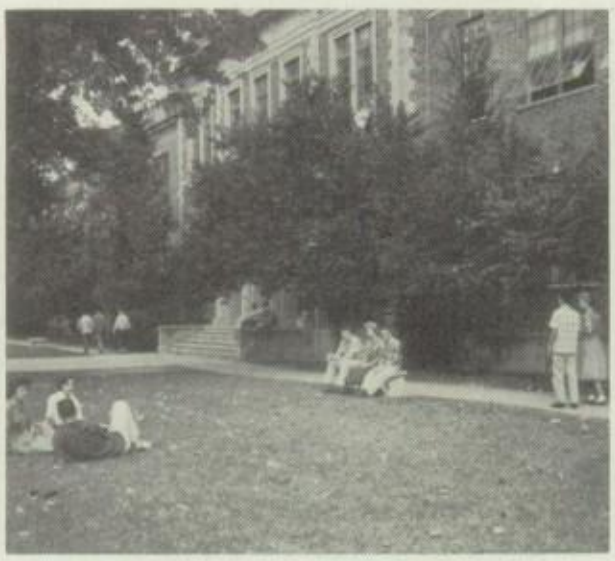
THE CAMPUS . . .

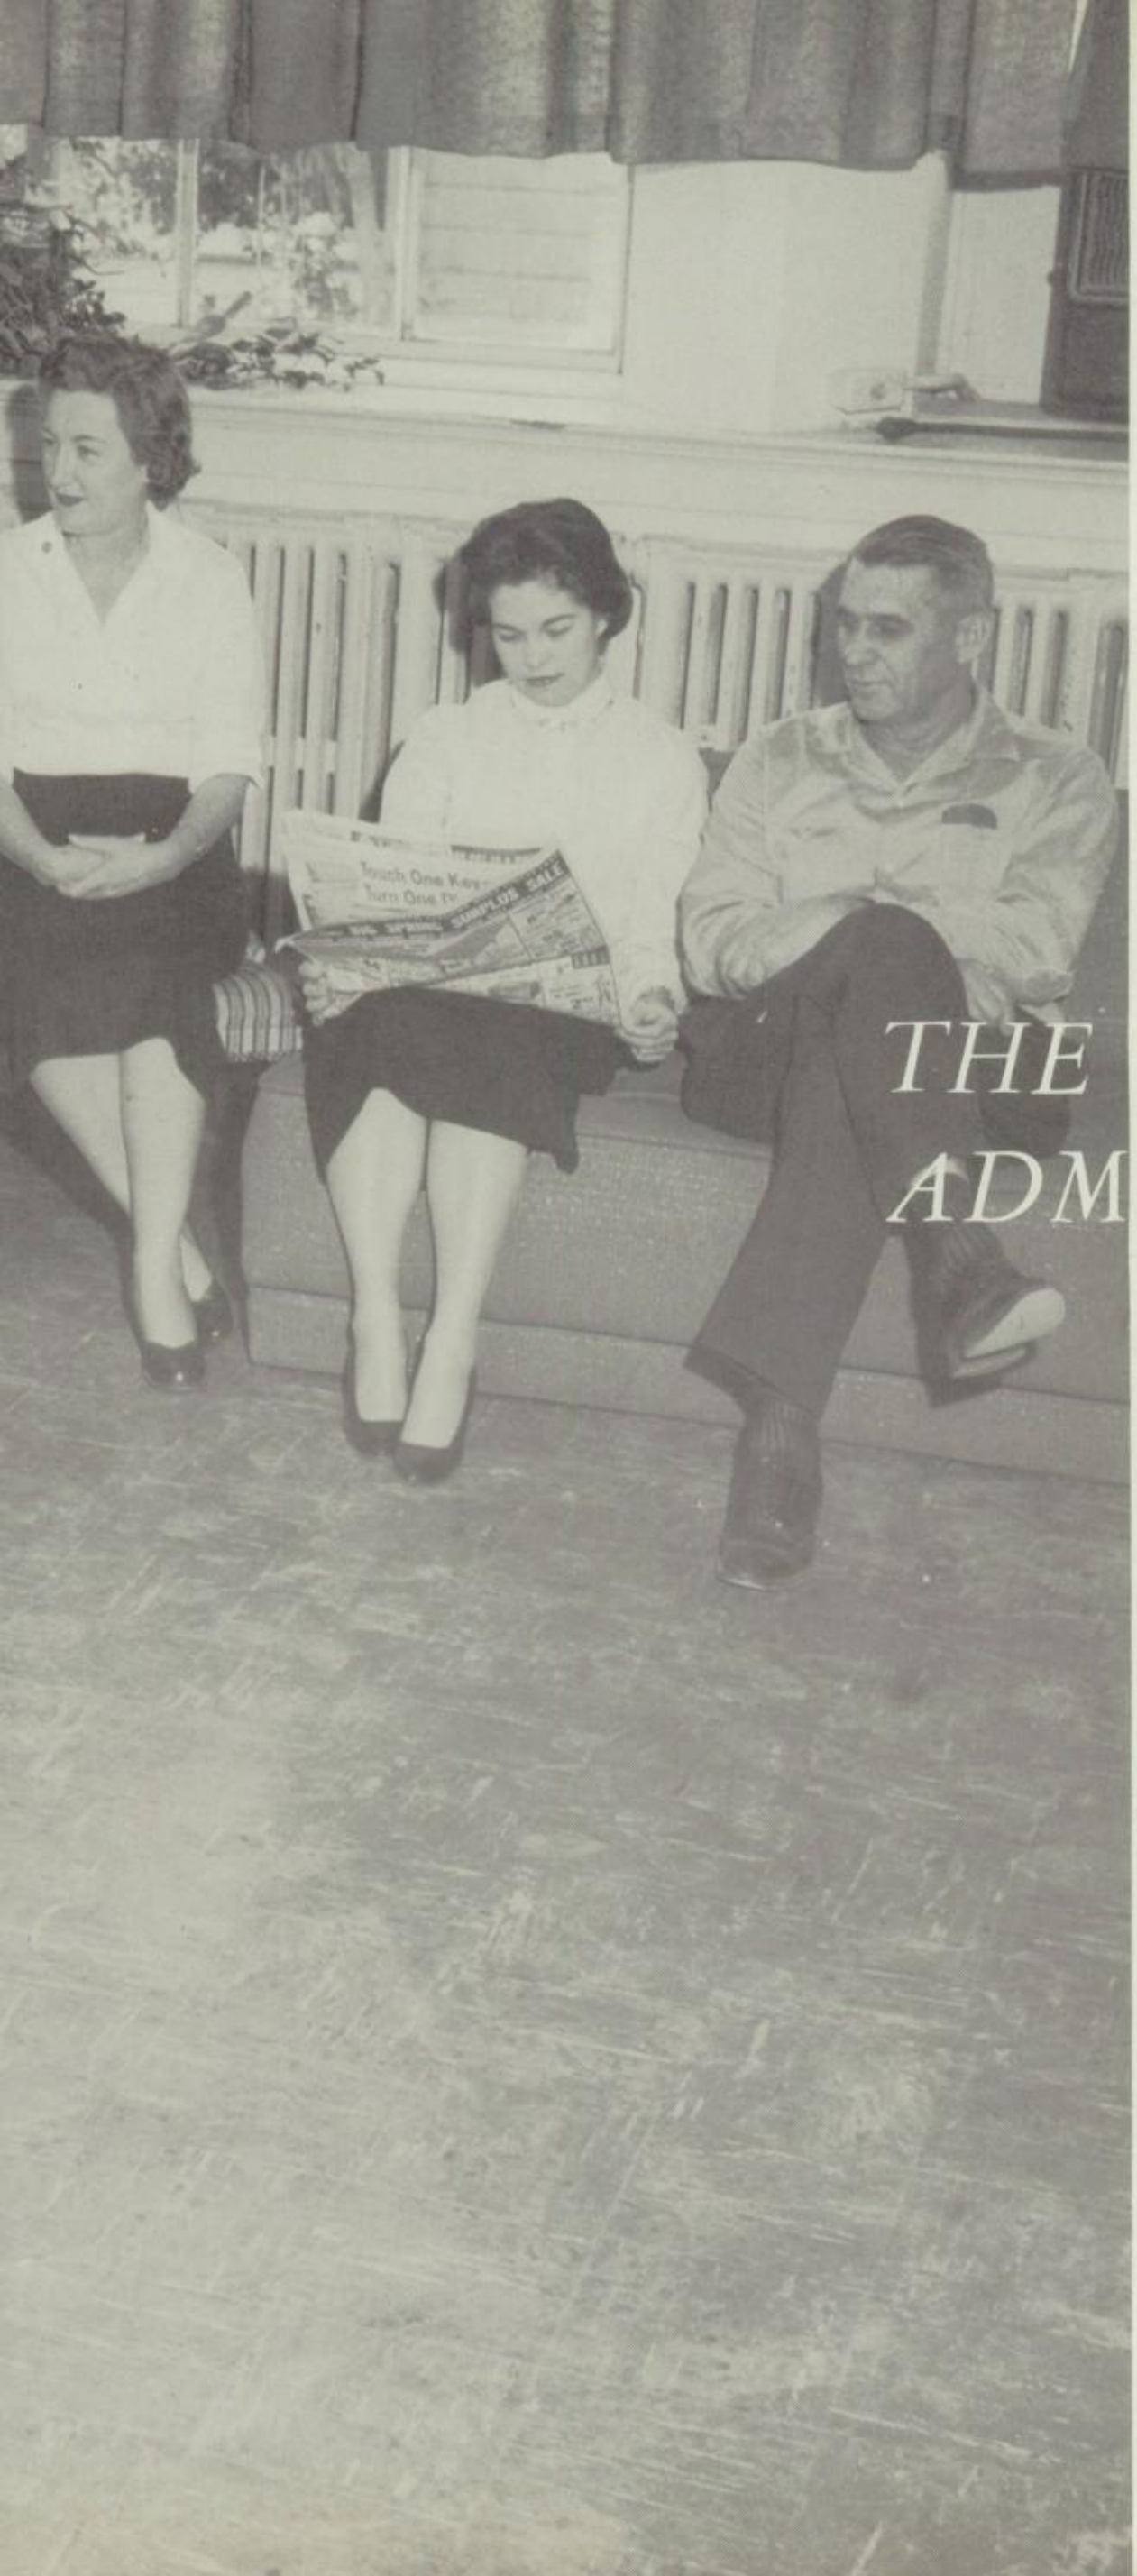
The Main Building on the campus is the center of the educational program. Here, students attend classes and enjoy the spacious and well equipped library.

At Milby there is a friendly and enthusiastic atmosphere that encourages the creative mind. This creates good citizenship.

Yes, we believe that it takes more than mortar and brick to make a great institution.







THE ADMINISTRATION

The main purpose of a high school is to educate the students and to prepare them for college.

Directing the educational program are the principal, assistant principal, dean, counselors, and faculty members. Their position requires tact and understanding in the everyday routine. Theirs' is the responsibility for today; theirs' must be the plans that will create tomorrow's achievements.

Our society stresses the scholastic aspect; our administration strives to furnish the young people with the knowledge, the needs for a modern world.

STEVENSON RECALLS MEMORIES

W. I. Stevenson, *Principal*

History is replete with the recordings of the past. Many occasions are made to live again when we turn the pages of the school annual. Down through the corridors of time we can revel in the many pleasant memories of the past.

"THE BUFFALO" is a valuable means of preserving many things that otherwise might be forgotten forever.

We appreciate those who have labored long on the many details that go to make up this valuable compilation of the happenings at Charles H. Milby Senior High School this year, 1957-58.

In the years to come we will all join in the coined phrase "Thanks for the Memories."

THE CLASSES . . .

A school can be graded according to the courses it offers; in our own school, these courses are many and varied.

Whether you hope to enter the business world or the world of sports, there are classes to suit you.

Should you desire to be poet, author, or journalist, there are subjects to train you.

You may strive for greatness in the fields of drama, medicine, the military, music, or science. Perhaps you long only for the satisfaction of good, hard physical laboring as a mechanic, a rancher, a fisherman, or a roughneck.

Whether your aim is for prominence and publicity or for anonymity and normality, whether you work to become bank president or blacksmith, the tools to aid you in building a foundation are here.

THE ORGANIZATIONS . . .

From active members of clubs at Milby will grow the future writers, politicians, teachers, sports figures, and scientists. Clubs which inspire people to lead a religious life, clubs that emphasize physical activities, and clubs which stress inspirational growth are all here.

A Milbyite has the opportunity to participate and become a well rounded person. Clubs also stress scholarship by encouraging scholastic work. School spirit is "boosted" by organizations of the Girls' Booster Club and the Ragnots.

All these clubs share in common a betterment of the individual which contributes to our school. These clubs are a vital part of Milby's program of better citizens of the future.

AGRICULTURE

Future Farmers Select Chapter Sweetheart

The FFA serves as an outlet for students who have agricultural interests.

It accomplishes this purpose through the study of the various phases of agriculture, supervised projects, participating in contest work, and field trips.

Spotlights, stage props, costumes, makeup—all melt into the excitement of opening night. The Milby Blackfriars hustle into the wings as the curtain rises on another spectacular production.

The group, composed of students interested in dramatics, takes part in large productions and one-act plays. They work toward perfection in action, speech, expression, and direction. A minimum of forty hours work after school is required for membership.

The Blackfriars fulfilled a dual purpose—they provided the campus with excellent entertainment and gave students ample opportunity to express dramatic interests.

Students Earn Eighty Hours for Thespian Membership

A combination of love for what they are doing and willingness to work make the National Thespian Society one of the most select groups in Milby. Devoted to the advancement of dramatic art in the secondary schools, Troop 829 was organized in Milby in April, 1947. Eighty hours work must be earned to become a member.

With goals to emphasize the qualities of dependable character and leadership . . . to orient students into the teaching profession, and to give students the opportunity for active participation, the Future Teachers of America was organized at Milby three years ago to fulfill those purposes.

The people pictured on this page are the people that will shape America's destiny. They are future teachers—the people who will mold the thinking of the next generation, the people whose own thinking may have a hand in deciding the fate of the nation.

Since 1952 the Christian Student Union has brought a warm atmosphere of religious activity to the Milby campus. No matter what the denomination, students find that the weekly meetings of the organization are the place to help strengthen their beliefs and to fulfill their religious needs. To combine social and religious activities, the members sponsored a Bermuda Shorts Box Supper and visited different churches this year.

Band Focal Point Of Top Groups

Whether marching into a crowded football stadium or presenting a concert, the Milby Buff Band is a focal point of campus interest.

At the beginning of the season the band works hard to get the musicians marching, thinking and playing together, for each new season brings a partially new band with a tradition to uphold, that of putting on a colorful and unique show and synchronizing precision movements with good band music.

No game is quite complete without the familiar Blue and Gold Band, and every pep rally is enriched by its presence.

Mrs. Eugene Seastrand
Director

In an age marked by an apparent necessity to do things faster, to accomplish more in as short a period of time as is humanly possible and yet cope with the myriad complexities of everyday life, Eugene Seastrand has given Milby a finer appreciation of music, the intangible which is long remembered.

To say that music will leave its mark on individuals is truly an understatement. Yet, within this group of musicians lies a desire to create and present music which is living.

The purposes of the Future Nurses of America are to gain a realistic understanding of the basic nursing course, to develop this understanding, to become informed about the many different fields of nursing, to plan an effective high school course, and to give service to the community, under the direction and sponsorship of the District Nurses Association.

The Future Nurses Club of Milby has excelled in all of these points.

BUFFALO STAFF: REVOLUTION IN STYLE, NEW IDEAS

Lynda Powell, *Editor*

Dear Charlie,

Well, it looks like it's time again for our "annual" chat. How fast the days seemed to have gone by, but then we did have lots of fun. Let's see . . .

Before school even began, my kids had a get-acquainted party at the Chief's house and found who was who and what was what.

Weeks passed before the next big event took place—the pizza booth. Yep, I was the site of a pizza selling concern complete with soft blue lights, some candles, old-country checkered tablecloths, and a variety of dance music. I even had a genuine looking Chef Visicy heading the KP club. I was almost deserted for a couple of days when my flock went to see the publisher, alias "Operation Madball" (Specie—Corpi Christus). Somewhere along the line SAM had an escapade with lollipops towards which she had been disinclined ever since. Not long afterwards I found out I was about to get an overhaul job. Sure enough, bright and early one morning several members of my family came armed with brushes and supplied with lavender paint. I was stripped clean of my furnishings and then lashed on all sides by the artistic strokes of my little chicks. During this episode I learned that I harbored an agile second-story man (alias Sisk.) Never shall I forget Martha's mania for dancing, cheerleader R. L., editor Lynda, and the philosophical duel of David and Tom who cut the heart of Gail, the sobbing spectator, more often than they chopped down each other's defenses. All in all, they were a very cooperative bunch, for in the midst of this they have managed to put out the book. Be writing to you again, 'til then, so long.

Your pal

THE PLAINSMAN

Publishing a bi-monthly school newspaper that will appeal to the vast and varied backgrounds of its readers is a challenging and responsible job for all the editors and staff, consisting of 23 students.

The PLAINSMAN accomplishes this end while creating for itself a reputation as an informative, interesting, and amusing publication.

Always striving to meet its never-ending deadlines—the industrious staff spends many hours pounding typewriters, writing headlines, and copyreading articles in order to publish a paper that will please Milby.

Frenzied staff members heave a sigh of relief when the finished product comes off the press. Their job is complete . . . well, not quite, for work on the next issue is just beginninig.

The staff takes an active part in producing the annual Kaleidoscope, consisting of city-wide talent. Another outlet for the staff's energy was the Calendar Cuties. The last "little sideline" was the PLAINSMAN Banquet which had hardly ended when the new editors began mentally making plans for the coming year.

Biologists Plant Shrubs

The Biology Club of Milby is sponsored by Mrs. Rose Skelley. Beautifying the school campus by planting rose bushes is the major project of this group. This club has the desire to learn more about science than what is written in textbooks through field trips, visits to hospitals, and trips to museums.

Academy of Science Plans Field Trip

The Junior Academy of Science was set up, having as its aim the study of scientific discoveries and the presentation of these facts to the student body. Not only do the members work to promote interest in different fields of science, but they have helped Milby in a very practical way by leading in the beautifying of the grounds.

The club is headed by Joe West, president; Charles Williams, vice-president; Pat Thomas, secretary; Ronald Vis, treasurer; Wesley Crutchfield, program chairman; Laverl Thomas, entertainment chairman. Sponsor is Noble Williams.

Club Active in Civil Defense

With the intention of stimulating interest in acquiring operators licenses with the Federal Communications Commission and promoting radio work as a hobby, the Radio Club has a practical as well as satisfying value to its members. Taking part in Civil Defense experiments and assembly programs are among the services this club offers.

After each football game the Ragnots elect the outstanding player. It is an honor to receive this award as the football players themselves compose part of the Ragnots. The award is given not only on the basis of popularity but on individual performance on the football field. The purpose of the Ragnots is to encourage sportsmanship and character among the school. Also, the Ragnots sponsor social activities of the year as Diamond Alkali Hayride and dance.

Tradition has it that when asked to help win World War I General Pershing replied: "Send me men who can shoot and salute." This fairly well sums up the program of the Milby ROTC.

The new cadet is assigned to a squad. He is directly under the squad leader who watches over him closely for the first semester. He learns to march and some cadets, oddly enough have trouble remembering which foot is left and which is right. He studies markmanship, using a .22 rifle and he may join the rifle team if he desires.

The drill platoon is a volunteer organization which teaches points of close-order drill. He learns to keep the M-1 rifle clean and free from rust. His bearing becomes important. His brass must gleam and his shoes must be in perfect condition. Saluting and the use of "Sir" becomes second nature. The weight of full responsibility falls on his shoulders as a senior for the leaders whom he first knew have gone and he himself is now the "Old Man" or Company Commander.

AT the annual Cheerleader's School at Sam Houston State College in Huntsville this past summer, the Milby Cheerleaders walked away with top honors taking first place out of the more than fifty schools represented from five states.

One of the highlights of the football season was when the cheerleaders ran onto the field pulling "Charlie" the Buffalo mascot.

Besides faithfully attending the games, these Milby stalwarts aid the Coeds in their half-time activities. Because of their constant interest in all activities of the school, we salute the not-so-silent partners of the team.

THE ACTIVITIES . . .

The season started with the excitement of the first A-Y Carnival, with booths selling everything from "Italian Pizza" to "Songs for Your Sweetheart."

Remember the cold nights at the Public School Stadium when we cheered Milby to win their football games? At the Lamar game, the Buff football team drew serenades from Milby students who were very happy with the victory in one of the most enjoyed games of the year.

The Football and the Winter Whirl were the parties of the year. At the Winter Whirl Sally Maness sang "Silver Bells", and the Collegiates furnished background music for her. Later on they offered many numbers from tangoes to slow waltzes.

Valentine Varieties was filled with excitement as Holly Capeheart was crowned Junior Sweetheart. The Kaleidoscope featured talent of the year and disc jockey Paul Berlin.

THE SPORTS . . .

Fall brings mock battles on the gridiron, accompanied by hearty yells and rhythmic drills. The mornings are brisk with the sounds drowned out completely or magnified greatly by the cheering crowds led by six lively figures. The FOOTBALL spirit has taken hold of the whole school. As wet winter days begin to set in, the spotlight shifts exclusively to an indoor activity. Irregular short-lived outbreaks come from the ever watchful onlookers when an occasional RIP breaks the constant patter of the basketball.

Female yeomen take to the target range as ARCHERY season begins. Below the auditorium, where many do not hear it comes a series of crashing splashes followed by regular gargles. For the aqua-inclined individuals, SWIMMING season brings many thrills. Quickly following is the sesawing of a white felt ball as it sails back and forth across the TENNIS court net. Almost simultaneously, we hear a hefty swoosh and a hearty "fore" as the players clamor to the links. Here and there a tape measure is heard being unrolled as the TRACK team enters the sports picture. There are the sounds, each one different, yet having the unvoiced spirit of good, clean competition.

THE Big Blue started its '57 football year with a loss to the Henderson Lions. Henderson scored their only touchdown and also gained a touchback in the second quarter. The tables were nearly turned during the last seconds of the game when Henry Norman made a 65 yard touchdown punt return, only to have it called back on a clipping penalty.

Milby lost again to Galena Park in the second game of the season, 25 to 0. The team led by quarterback Henry Norman, and fullback Eugene Bunton, suffered a serious setback in the first quarter when Norman fractured his collarbone. Don Mitchell ran around the Yellow Jacket line twice to put the Buffs within striking distance, but Galean Park proved too strong.

The third game of the season resulted in Milby's trampling Texas City, 12 to 0. Total Buff yardage was three times as great as that of the Stingarees, who came close to scoring only in the first quarter. Don Mitchell carried the ball over the goal line for Milby both times. In the air, on the ground, all the way around, the Buffaloes stomped the Stingarees.

ON October 3, better than 4000 fans saw the Blue and Gold beat the Austin Mustangs, 7 to 6, breaking an eight year jinx. Three minutes before halftime Les Fullerton sneaked over for Milby's only touchdown. This and Keith Huggins' conversion gave the Herd the points needed to beat Austin for the first time since 1949. Jimmy Jones and Don Mitchell each intercepted Mustang passes.

The Bellaire Cardinals bowed to the might of the Bisons to the score of 20 to 13 during Milby's 3rd straight win against 2 opening losses. In the first period, Fullerton punched over from the 1 yard line to score. Huggins' conversion was good for the first of 2 extra-point boots. In the 2nd period, Bunton plowed over the end for a TD. Later Torres' interception of a Card pass resulted in another Buff score when, several plays afterwards, Fullerton passed 30 yards to Connell Pitts for a TD.

MILBY walloped San Jacinto next, 20 to 6. Mitchell scored first for the Big Blue when he ran seven yards in the 2nd quarter to tie the game at 6-all at the halftime. Huggins kicked the 2 extra points.

The Bisons scalped Lamar 6 to 0 for the first time in eight years and prolonged their winning streak to 5 games, their longest since they won the city title in 1945 wh a 10-game sweep. Milby's single TD came late in the second quarter when Mitchell ran 4 yards to the goal line. After a 5 yard penalty nullified his conversion, Huggins couldn't try again because of a stray snap.

The Reagan Bulldogs upset Milby in the first district game of the year, 27 to 14. At the half the Bulldogs led 7 to 0. Later the result of 2 unsuccessful Milby punts were touchdowns for the Bulldogs. In the 4th period both teams scored once again.

THE Buff's 2nd district game brought a 7 to 0 victory over the Davis Panthers. Eugene Bunton went over from the 1 yard line for the only TD of the game. The Panthers could not move either in the air or on the ground against the rugged defense of Milby. Don Mitchell ran 71 yards for what looked like a TD, but was called back on clipping.

The last game of the year the Blue and Gold dropped to Sam Houston, 20 to 0. Held to 9 yards of rushing in the first half, the Bisons bounced back to eat up 104 yards of the watersoaked gridiron in the last half.

Gridiron strategists plan their next move.

BIG BLUE'S CAGERS

Although a third place rating at Regional climaxed the season in basketball, Milbyites remember earlier games which brought as much enthusiasm.

One of the early thrillers came on Thanksgiving night when the Buffs defeated the defending 4-A State Champions, the Port Arthur Yellow Jackets, 45 to 39. Jerry Simmons and Buster Sullivan were the top scorers with 11 and 15 points, respectively.

At the Nacogdoches meet, "Big Blue" won Division Two of the Annual SFA Basketball Boosters tourney by first defeating the Sam Houston Tigers, 50 to 46, and then subduing the Lufkin Panthers, 50 to 41. Don Eckleman and Buster Sullivan were high-score men with 17 and 14 points. Sullivan was also named to the Division All-Tournament team.

The Lamar Redskins fell to the Bisons in a close game of 56 to 49. Trailing by only 4 points in the third quarter, the Indians pressed on, but Alton Adams worked furiously in the final quarter to keep ahead. Billy Paling, Steve Dowling, and Buster Sullivan scored in the double figures.

WIN DISTRICT TITLE

In a real thriller, the Blue and Gold downed Sam Houston 44 to 41 February 8. Alton Adams, who scored 18 points, controlled both boards on rebunds to put Milby in the District 9 4-A lead. The Tigers were never more than 4 points behind, but "Big Blue" fought hard all the way.

The Milby Cagers defeated Jeff Davis again on February 12, 57 to 43. Being pressed hard until the last quarter, Milby pulled ahead due to the high scoring of Adams, Sullivan, and Eckleman.

Milby made off with the District 9 4-A Championship again this year. The Buffaloes had a 5-0 record in District play, ending with a 52 to 39 victory over Sam Houston's Tigers on February 19. Since 1944 Milby has started a tradition by being a leading contender in district every year. In district play they upheld this tradition by winning 27 consecutive games.

As if all these victories were not enough, on February 21st Milby was presented the Basketball Sportsmanship Trophy at the C Assembly by Mr. Wes Hooper of the Houston Junior Chamber of Commerce.

THE ADVERTISING . . .

Thanks is appropriately due to our supporters as to all the others who make this annual possible.

Milby students may express their thanks to the advertisers who placed advertisements in the 1958 BUFFALO by patronizing them and by letting them know they are doing so because of BUFFALO ads placed by their firms. In this way future support of all Milby publications will be "Boasted" and the community will realize the results of Buffalo advertising.

Without our advertising section our 1958 BUFFALO would not be possible.

The annual banquet is an event of happiness, food, and excitement.

Gosh! This shellac is thick.

Use your brains, boys. We've got to win this game.

CONGRATULATIONS, SENIORS

The Editor Speaks Out . . .

In the quiet and almost nothingness of the spring semester after final deadlines, I sit back with a sigh, think over the experiences of editing this publication, and wonder how the book was ever completed. I want to place in permanence my personal thanks for the so muchly needed co-operation which the Buffalo staff and I have received.

I would like to say thanks a million to the staff . . . Tommy Cammack, Gail Henley, Martha Brown, Wallace Sisk, Sally Maness, Randy Lofgren, Ronald Vis, and David Kay for their help and efforts to create a yearbook that is different. I especially want to express my sincerest thanks to our sponsor, Miss Wilma Hartman, without whose help I'd be lost, and to our Business Manager, Mrs. Clyde Perkins.

Special thanks go to the mid-term staffers, Charles Hubbard, Merle Montgomery, Billy Musemeche, Judy Kennedy, and to Harold Neal. Thanks also to Judy Smith who let the staff use her home to take pictures for the Favorite's Section of the yearbook.

My personal thanks go to our good friend, Mr. Harold Bishop, who so painstakingly took the class, club, sports, and other pictures in the yearbook. To Harris Johnston for our Class Favorite's pictures, and to Ted Johnson, chief photographer of News Service at the University of Houston, and Ed Smith, associate professor of photography at the University of Houston for our color pictures go our warmest thanks. To Mr. Montgomery and all of Port Printing Company . . . my deepest gratitude.

To Mr. W. I. Stevenson, Mr. Roscoe Bayless, Mrs. Roy Needham, Mrs. Clara McLendon, and the Milby faculty, I must say this . . . I could never thank you enough for your muchly needed co-operation and understanding.

I would like to say thanks so much to the Plainsman who provided facts and references to the staff, and to the Henderson Daily News for complimentary sports photos.

And finally to our advertisers who are our friends and neighbors, and are the loyal supporters of Milby High School . . . thanks for everything.

Lynda Powell

Dear Dennis,

Just think! Only four more days of school and we'll be out. It's kind of sad, but I sure am glad. (?) I only hope Mr. Summerbrook passes me.

It has been really nice knowing you this short year, Dennis. I think we have really had a lot of fun.

You're a real swell guy & want to wish all the luck and happiness in the world, because ya deserve it. I know you'll be a real good doctor.
